Intuitive Healing Session: 75 minutes

This is deep and transformative work, involving highly specialized intuitive and spiritual healing skills. Employing the Stillpoint School TM technique, Katina 'scans' an individual's 'energy body,' gleaning insights into physical, emotional and spiritual issues.

Katina must receive your intake forms at least two weeks prior to your appointment, as she needs an hour to 'scan' in advance. At your session, Katina will share her insights and guide the individual with specific self-help spiritual healing exercises. Please respect the nature of this work and Katina's gift, by coming to your appointment prepared to receive metaphysical information and guidance. Paper and pen is advised.

More information on the specifics of Intuitive Healing can be found at Katina's website www.KatinaMakris.com on the Healer page.
