

## Lyme Consultant Release

I, \_\_\_\_\_  
have elected to seek council from Katina I. Makris,  
CCH, CIH on my own accord. I understand that Ms.  
Makris is a Certified Classical Homeopath and  
Certified Intuitive Healer. She is not attempting  
practice medicine without a license.

My understanding is that I am seeking council from  
Ms. Makris currently in the capacity as a Lyme  
Disease consultant. This may include offering me  
advice on various Lyme Disease diagnostic testing  
options and/or various treatment options that I may  
elect to seek.

I understand that Ms. Makris is not able to treat  
me, nor prescribe any pharmaceuticals. My  
understanding is that she will help me find  
contacts to practitioners, doctors, labs that may  
be of service to me.
